

# The Registration Process

---

## 1. Click the Registration button to get started

To begin registering online, navigate to your local organization's homepage and locate the Registration link. This can be a colored button on the right side of the page or it can be a vertical menu page at the top of the site, or more commonly, on the left side of the website.

## 2. Find your registration program and click Begin Registration

The registration page may have many different programs listed. Find the program that you would like to register for (or you are eligible for) and click the Begin Registration button.

### 4. If you have an account, sign in. If not, create an account

On the sign in page, you'll need to login with your email address and personal password. If you've registered on this organization's site before you probably have an account. If you aren't sure, click "forgot," enter your email and a password reset email will be sent to you. If you are a new user, click Create Account, enter your email and then click the button to continue. An email will be sent to you where you can establish a password. Once created, return to the website and enter your email and that password in the sign in field to continue.

If you have never registered before you'll need to create an account. If you have registered for programs in the past, sign in to the left.

### 5. Enter the Guardian's or Adult's information and click submit.

We first need to collect information about the parent or guardian if this is a registration for a youth player. If this is an adult registration, this will say "Participant Information" at the top of the page. Once all of the information has been filled in, click submit at the bottom of the page.

## 2013 Registration

### Guardian Information

First we'll need some basic information about you, the Parent/Guardian. Even if you're registering a child, we need to start with your information. You'll be able to enter the child next.
