

## WILTON YOUTH FIELD HOCKEY

### 2017 Travel Team Commitment Letter 7<sup>th</sup> and 8<sup>th</sup> Grade

Wilton Youth Field Hockey policy for Travel Team players is to ensure that all players receive a positive experience. To accomplish this, guidelines have been put into place that all Travel players must read and agree to in writing.

#### **Commitment Requirement for Blue (A) Team Travel Players**

If you are selected to play for the Blue Travel Team you agree to the following:

- Attendance at all Travel Team practices, games and jamborees is **MANDATORY**
- Field hockey is your priority sport in the Fall, and field hockey will take precedent over **all other** extra-curricular activities.
- Missing a practice or game without an approved excuse (family obligation, illness or school-related event) may affect your spot on the team and result in being moved to the White team and the spot will be filled by another player.
- You will consistently use common sense and courtesy towards fellow teammates, coaches, referees and opponents. Behavior in conflict with this policy can result in removal from WYFH program.

#### **Commitment Policy for All Travel Team Players**

- On any team, we expect that you will attend all practices and games. Players who miss practices or games may lose playing time and/or starting status come game time. This decision will be at the discretion of the Travel Coaches and enforced by WYFH.
- You will consistently use common sense and courtesy towards fellow teammates, coaches, referees and opponents. Behavior in conflict with this policy can result in removal from WYFH program.
- As a representative of the WYFH program and Wilton Youth sports, poor sportsmanship from either **player or parent** will not be tolerated and can result in dismissal from the WYFH program, at the full discretion of the WYFH Board.

**ALL travel players MUST notify Team Managers ahead of time by email if they need to miss a practice or game for any reason.**
