- 2) Each team is limited to FIVE (5) runs per inning for inning's 1 thru 5, after which the team is out. There is no run limit in the 6<sup>th</sup> inning/last declared inning or any extra innings. There is NO run-limit in any inning of a Championship Game.
- 3) A Game is considered complete after four (4) innings (three and 1/2, if the home team is leading).
- 4) A full, continuous batting order will be used throughout each game.
- 5) In the case of a player arriving late for a game and not in the original line-up, that player may be entered into the end of the line-up and bat in that spot only.
- 6) Free substitution is allowed in the field. Coaches should make every effort to expose players to as many different positions as possible.
- 7) Teams will play with 4 Outfielders. All OF's must take their defensive positions on the OF grass (no extra infielders)
- 8) No pitcher may pitch more than THREE (3) innings per game. There is no limit per WEEK. The innings do NOT have to be consecutive. If extra innings are necessary, all pitchers may pitch a 4<sup>th</sup> inning. One pitch thrown in an inning constitutes a full inning thrown for that pitcher. Note: coaches should NOT be taking pitchers in & out each inning to "match up" with certain opposing batters or top/bottom of line-ups.

This means the runner can be thrown out or continue to advance in case of an error.
- 18) When a ball is overthrown during a play at any base, runners may advance one (1) base if ball goes out of play. If ball remains in play (Fair or Foul Territory), runners can continue running until ball is controlled on mound.
