## Refund Policy

The HKSC will refund registration fees minus a \$20 processing fee. Refunds must be requested prior to the rosters being finalized. After the rosters are set, refunds can still be requested but will be discounted by 50%. Once games begin, refunds request will be subject to board review.

If a season or portion of a season is canceled for any reason, the HKSC board will review the circumstance and decide if a credit is applicable.

Uniform fees are not refundable

Any fees paid for customized items like backpacks or sweatshirts will not be refunded.

Procedure for requesting a refund:

Email the HKSC Registrar with a brief description of the request for refund and the names of the player(s) involved.

The Registrar will respond with a receipt of the request and, if needed, get approval from the board.

Refund checks will be sent out by mail after the next regularly scheduled HKSC board meeting.
