

MSA Travel Soccer Registration Instructions Fall 2020 Spring 2021

Registration instructions for Montville Soccer Association Travel program for Fall 2020/ Spring 2021.

Please take the time to read this, as it contains a lot of good info to help registration go smoothly.

New Registration System

We are using a new system called **Sports Connect**. Every New Jersey Youth Soccer team is using this new website. I am much more upset regarding having to use a new software than you are. This was not our decision, but we will do the best we can to make it smooth.

If you played MSA last year, there is a good chance that your BIRTH CERT was migrated over to the new system. It is important that you first go to the old system, known as **STACK**, to see how you entered your child's name into that old system. You will want to enter your child's name EXACTLY as it appears in STACK when registering for the new system.

Old system "STACK" link to go into your account and check the name:

https://login.stacksports.com/login?client_id=5ac2ae226d9d3b028a146c9a&redirect_uri=https%3A%2F%2Fwww.secure-sam.com%2Fmontvillesoccer.bonzidev.com%2Fsam%2Fregistration%2Fvirtual_login.php®ister_uri=https%3A%2F%2Fwww.secure-sam.com%2Fmontvillesoccer.bonzidev.com%2Fsam%2Fregistration%2Fregister.php&app_name=Montville+Soccer+Association

This provides a better chance that the new system will recognize your child and will automatically find the birth cert. If for some reason you do everything perfectly, and it doesn't find the birth cert, then you will have to upload it again.

Everyone will be required to have a new picture uploaded. Please make sure your child is the only one in the picture, and that it's a recent picture, and it should be a headshot with some shoulders in it.

Are you playing on more than one team this year?

If you are **only** playing for Montville, then skip the rest of this section. If your child is PRIMARY registering for another club team, please **DO NOT REGISTER**. Email daverichmond@hotmail.com with the club name, team name, and what league they play in. You will have to provide me with a copy of their primary team player card, and will have to fill out a form I will send to you that requires the signature of the coach(or club representative) of your other team. If your child's team plays in the

“Alliance’ league, there is a good chance you will be able to register normally for us. But first that needs to be communicated to me so that we can make sure we don’t end up with the wrong registration.

If you are playing on another team and are unsure about Primary vs Secondary registration, email me and we can discuss.

Standard Primary Registration

The following is the link you will use to register. It is very important that you continue to read the rest of the instructions

The screenshot shows a registration interface for Benjamin. At the top, it says "Here are the available activities for your players" and "Please select any activities you would like to register your kids in. Available activities are based on age and gender and configured by Montville Soccer Association." Below this, a header indicates "Benjamin has 3 programs available". Three program cards are displayed, each for the "Fall 2020 / Spring 2021" season. The first card is for "Montville Blaze U13 2008" with a "Selected" button. The second is for "Montville Meteors U14 2007" with a "Select" button. The third is for "Montville Mutiny U14 2007" with a "Select" button. Each card lists season dates (09/01/2020 - 08/31/2021) and a registration close date (08/31/2021), with a price of \$415. At the bottom right, there are "View More" and "Continue" buttons.

6. Upload the picture on this screen. It will accept .gif, .jpg, .jpeg, or .png files. PDF's are N

The screenshot shows a profile page for Benjamin. It includes a profile picture upload button labeled "Upload Profile Picture" and a "Spring 2021" button. The profile information shows "Legal First Name * Benjamin" and "Gender * Male". A blue oval highlights the text "Birth Certificate Document verified". Below the screenshot, there are two text boxes. The first box says: "Picture upload. Everyone. New picture, not old. Headshot with shoulders. Nobody else in the picture." The second box says: "If you see the words: Birth Cert Document Verified, you don't have to upload the birth cert. If it asks you to upload the birth cert, you must do so."

Coaches- you will need to upload your documents asap, but I didn't make them mandatory for registration. Keep in mind that if you do them the week before the league starts, you probably won't be able to coach.
