

FALL BASEBALL

SEPTEMBER THRU OCTOBER

- ◆ Get accustomed to the larger diamond before next season starts
- ◆ Develop pitching, leading, stealing and strategy skills
- ◆ Weekend games only
- ◆ Home games are played at your home field
- ◆ Fun Baseball - no standings are kept

What parents and players are saying

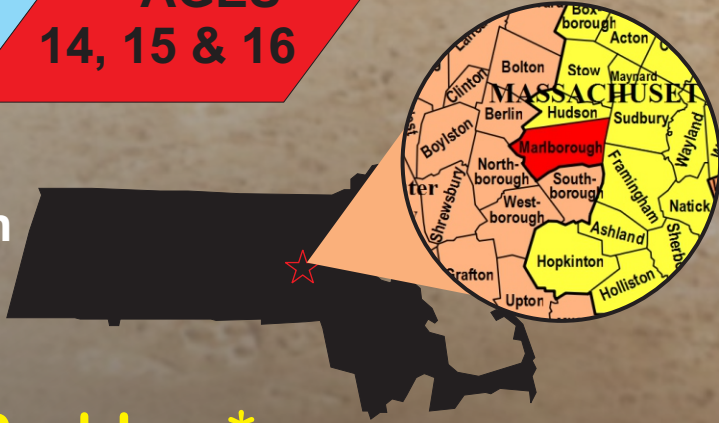

"My son really benefitted from playing Fall Ball. You could see it the following Spring season. He was more comfortable with the bigger playing field than those that did not play." Fall Ball makes a big difference."

"I tell all my friends to play"

"I wish I could play baseball year round. Fall Ball keeps me on the field longer, I keep my skills sharp and I have fun – no standings – just baseball"

"I was not planning to play Babe Ruth, but my friend talked me into playing Fall Ball. I'm glad I did. I loved it. I'm going to sign up for Babe Ruth in the spring now."

All games played in the "Burroughs"

No Field, No Problem*

If you do not have an available field for home games, we can arrange for you to play on ours

* We can also provide umpires
