Parents interested in being a head or assistant coach please fill out an application (found in the RYH documents tab) and send it to RichLucasJr@gmail.com (RYH Squirt Director).

All coaches must pass a CORI check, satisfy CEP coaching certification, pass Squirt Level online training modules and receive approval from the RYH Board of Directors. There will also be a mandatory coach's meeting prior to the start of the season.

All players and coaches will need to register with USA Hockey after August 1, 2014 and enter their new number on the registration page of Reading Youth Hockey.
