

Dear Parents/Guardians

It is the responsibility of you, the parent/guardian, to work the concession stand for each child you have registered in the league. Coaches will assign a parent to work the concession stand. It will be parent's responsibility to find another parent to fill in for them if they are unable to fulfill this obligation. Please sign to acknowledge that you understand what will be expected of you regarding working the concession stand.

Thank you,

Nicole Sturgeon  
Concession Director
