BOD Meeting to be held 2.4.2021

➤ **Fundraising (proposals)**

- Each member of the league will be asked to raise a minimum of \$25.00 via a paypal fund-raising campaign. This campaign will be blasted via social media. The logistics of setting this up is fairly straight forward. We call the campaign “Love Little League” or along those lines. Kids/parents will direct their family and friends to go to our fundraising page and donate to WLL on behalf of the specific kid/team. We can track donations on each kids’ behalf and award prizes to kids who bring the most \$\$. The highest individual donors can also be awarded. This campaign is also open to any individual/business which wishes to donate to WLL. The campaign will highlight the needs we have to include approved capital projects, equipment etc. Prizes should be donated via GC, services etc. We can even promote this as our virtual “Toll Booth Fundraiser”. Potential minimum funds raised: $230 \times \$25 = \$5,750$ (skies is the limit)

- A Springtime “Swap Shop/Flea Market” at the VFW pavilion and parking lot. WLL members donate items directly to WLL and we set up tables for sale. Promote this event to all local social media pages (yard sales etc). Discuss entertainment options to increase the draw. Charge \$1.00 for entry. All items purchased will be paid for at a centralized check out. Potential minimum funds raised: \$2,000 (skies is the limit)

➤ **General:** Open discussion
