

Dear Potential Sponsor:

The Scottsville Athletic Association (SAA) is seeking sponsors for the upcoming season. SAA is a non-profit organization that provides opportunities for approximately 350 children annually, ages 4–18, to play soccer, baseball, basketball, and softball in a team environment. We are a fully volunteer run organization, including all of the coaches. In order to provide services for our youth at an affordable cost, we must rely on sponsorships and donations. Money collected through sponsorships, donations and fundraisers are used to help underwrite the costs of the programs, including but not limited to: uniforms, equipment, field maintenance, referees/umpires, insurance, and to provide scholarships to families with financial hardship.

We invite you to be a part of providing an opportunity to our Scottsville youth to participate in these active programs. Please give this request careful consideration. For your convenience we have attached a donation form to this letter.

Thank you for helping make our program a reality for the Scottsville community. Please do not hesitate to contact me with any questions you may have. We look forward to hearing from you!

Sincerely,

Mark LaMere, President
Scottsville Athletic Association
