

## **Operating Policies**

Milton National Little League subscribes to the rules and operating policies provided in the current Little League Baseball Rulebook. The elected Board of Directors apply Little League rules and Milton National Little League bylaws on a year-round basis to fulfill the ideals identified in the Mission Statement and Core Values. The Board of Directors executes a fiduciary obligation to our members by providing:

- *Development & Training*  
Milton National Little League facilitates the development and training of our coaches and players at all age groups. We do this through a variety of means including but not limited to direct instruction, clinics, and partnering with outside organizations such as colleges and local baseball academies.
- *Uniforms & Equipment*  
Milton National Little League ensures that all of our players in each division are equipped with proper uniforms and quality equipment. We evaluate and replace equipment as necessary on an annual basis.
- *Fields & Facilities*  
Milton National Little League provides game and practice facilities to meet our member's needs. Field upkeep is an expensive undertaking for which the Board of Directors devotes time, energy and league financial resources. The league completes annual improvements to each playing surface.
