

Welcome Back to Hockey!!!!

This upcoming week we will be starting travel / High School/ and Mites hockey at the Dix Hills Ice Rink. We are beyond excited to welcome everyone back **HOME**. With that said, we will be opening up with a new set of rules for practices.

1 – No parents will be allowed in the building – (with exception Mite teams will be allowed **one** parent per skater)

- We have setup tables and tents (working on additional tents for people to hang out outside)
- We have also setup make shift locker rooms at each entrance to the building.
 - o Players will have the option to dress here or at home (goalies can dress inside)
 - o **No hockey bags will be allowed in the building**
 - o For younger players we suggest skate guards pictured here.

(Cozzi Pro Shop will be selling these guards outside during the first week.
Guards are \$17.00)

- Temperatures will be taken by an ice rink staff member as players / coaches enter the building
- Anyone entering the building must wear a mask or face-covering at all times when inside the building.
 - o Players are not required to wear a mask on the ice.
- We will have a dry erase board letting teams know which rink they will be on. We will be using 2 sets of doors, one for the old rink and one for the new rink.
- Cozzi pro shop will be open, only one customer will be allowed in at a time.
- D&J Snack bar will be open. We will create a line where people from the outside can enter the building, receive a buzzer, exit the building. The buzzer will then go off when food is ready for pickup.

Hopefully soon we will be able to play games and allow more people into the rink area.

Thanks!
Matt Naples
Ice Rink Manager
