Note: Please remember we are welcomed guests of this beautiful campus that we call home. Let's respect the facilities, the staff that cares for the grounds, the janitorial staff that cleans up after our games & practices-If you see them around a polite "thank you" or "hello" is well deserved. We will continue to work together with the school and it's staff to ensure that everyone's experience is mutually rewarding and meaningful whenever we are on Westview's campus.

Respect Westview

Define it -Respect is showing a “regard as worthy of special consideration” to someone, someplace or something.

Explain it/What it looks like: Your Sunday best at a place a high end place.

What it doesn't look like: Pets, sunflower seeds, cars on campus, profanity, no child care, drones, trash on the ground, tailgating, tobacco use, etc.

Consequences for lack of respect: Removal from site, non participation in league, other?

Help: Gently remind others to be respectful at all times so that we can stay on Westview's campus for years to come.
