We will be using the evaluations to help determine the number of players, coaching assignments and teams that we will have at each of the levels for next season. Your participation will be helpful in figuring that out. We will be accepting a \$50 registration deposit that will be applied to next year's fees.

Registration for the 2015-16 season for all teams, plus the Learn to Skate, and Learn to Play Hockey instructional programs will be available online after the evaluations.
