Volunteers

Reminder that we are volunteer league and we are always looking for help in with the snack bar and umpires. If anyone is interested in helping out, please contact Martiza Miller (Snack Bar Coordinator) at cmemaritza@yahoo.com and/or Ben Carey (Umpire In Chief) at cvllcarey@gmail.com

Snack Bar (Minors A & B and Intermediate)

The only people allowed in snack bar are people assigned to work that day. No kids are ever allowed inside. If you are not working a shift you must use the window for anything you need. If you are working a shift please make sure that you are confirmed for the reporting and end times. When people miss shifts or leave early it puts a lot of work on others and slows down the line for our customers. We want to reintroduce some weekend specials but we have had poor volunteer reporting that has limited our menu.

July 19-27, 2019
