

Mission Statement

Established in 2012, Methuen Youth Lacrosse's primary purpose is to teach and promote the game of lacrosse in a positive, safe and sportsmanlike environment to the youth of Methuen. As a youth league, MYL is dedicated to the skill development of lacrosse players and teaches a game of speed, position and finesse rather than physical intimidation or promoting a team's winning record. Along with learning lacrosse, MYL strives to instill the values of sportsmanship, respect, teamwork, self-confidence, leadership and a love of the sport of lacrosse for teammates, coaches and officials; in essence we "Honor the Game".

MYL believes that sportsmanship is a way of life and will conduct all activities in a manner that will set an example of good sportsmanship and friendly competition for our young athletes.

Parents Code of Conduct Methuen Youth Lacrosse

The essential elements of character building and ethics in sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship. The highest potential of sports is achieved when competition reflects these "six pillars of character."

- Parents will remember that children participate to have fun and that the game is for youth, not adults.
- Parents will inform the coach of any physical disability or ailment that may affect the safety of his/her child or the safety of others.
- Parents should do their best to learn the rules of the game and the policies of the league.
- Parents and their guests will be positive role models for all players and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice or other sporting event.
- Parents and their guests will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting; refusing to shake hands; or using profane language or gestures.
- Parents will not encourage any behaviors or practices that would endanger the health and well-being of the athletes.
- Parents will teach their child to play by the rules and to resolve conflicts without resorting to hostility, violence or bullying.
- Parents will demand that their child treat other players, coaches, officials and spectators with respect regardless of race, creed, color, sex or ability.
- Parents will never ridicule or yell at their child or other participant for making a mistake or losing a competition.
- Parents will emphasize skill development and practices with their child.
- Parents will promote the emotional and physical well-being of the athletes ahead of any personal desire they may have for their child to win.

- Parents will respect the officials and coaches and their authority during games and will never question, discuss, or confront them at the game field, but rather will take time to speak with coaches at an agreed upon time and place.
- Parents will demand a sports environment for their child that is free from drugs, tobacco, and alcohol and will refrain from their use at all sports events.
- Parents will refrain from coaching their children from the sidelines unless they are a rostered coach.
