Summary of the Meeting with the City of Orlando, June 1, 2016

- City is having pervious concrete put in on the common areas surrounding the concession stand.
- City will cut out lips on the Green and Yellow fields, and add clay and laser grade the infields.
- City will slope both pitching mounds to the 50' rubber.
- City will have sprinkler heads put behind the mounds and have a valve installed that will facilitate the watering of the infields before practice and games.
- League agreed to stay off Yellow and Green fields from June 20th until Labor Day, if needed.
- City will see if there is any extra concrete to put in between hedges between Red and Yellow Fields.
- League will relocate the shed to be next to the bleachers on the 3rd base side of the yellow field.
- City will look into the relocation of the large commemorative rock
- City will provide 2 large trash cans and trash bags for additional garbage space
- City will provide a back-up storage room key to Andy Nicol
