10U Division Rules - 2019 Season

This division's goal is to teach the fundamentals of girl's fast pitch softball. These fundamentals are taught during practice and executed during games. The games should provide an element of healthy competition. Sportsmanship, safety, and fun should be stressed and promoted by all managers, coaches, and parents at all times throughout the season.

The manager, assistant coach, or team mom must not leave the practice or game location until all players have been picked up by their parent or designated Adult, as specified by the player's parents.

All games of the Capo Girls Softball league shall comply with the rules set forth by the USA Softball as well as the rules set forth herein. If there is a discrepancy between an USA Softball rule and a CGS rule set forth in this document, the CGS rule will prevail.

RULES OF PLAY

GAME DURATION: A regulation game in the 10u division will be six complete innings, or as ended by time limit (below). If the game is tied at the end of six innings, or when the time limit has been reached, the game will end in a tie.

TIME LIMIT: Official time will be kept by the home plate umpire, or his designee. He /she will start the clock after the plate meeting. No new inning shall be started after 1 hour and 30 minutes. An inning that is started before the time limit has been reached will be completed, unless the home team is ahead, in which case the last 1/2 inning will not be played. This rule will be waived if necessary to comply with rule listed below.

OFFICIAL GAME: The game must last a minimum of 4 innings to be considered official in the 10u division. This requirement must be met regardless of the "time limit".

UMPIRES: All games will be played under the direction of the CGS appointed umpire. CGS will make every effort to insure that the umpire is USA Softball certified. In the instance where there is no ASA certified umpire available, the game will be re-scheduled unless both managers agree on an available replacement umpire for the game. In this case, the result of the game will be final, and the game will not be re-scheduled.

STEALING BASES: All bases including home plate may be stolen in the 10U division, including multiple bases per pitch. Home plate is open.
