Grade K – Rookies League

Brittany Demers, Director
Allison Rodrigue, Associate Director
(Introduction to Basketball)

Grade K Rookies is an introduction to basketball designed for grade K students. Our instructors will be hands-on every Sunday at 12:00 at Broad Brook School. We will be utilizing the new Spalding “Rookie” basketball that is 25% lighter than the regular Youth ball and we now have portable hoops that will be set at 6 feet to start.

You can see the new hoops in the gym as we installed them this past weekend.

Each session will include a format of individual instruction, team concepts and a short game at the conclusion of each session.

Picture day is Saturday Jan 25th at 1:15 at Broad Brook School

The season starts Saturday December 7th and continue to February 23rd
