The 10 year-old team will be hosting the District tournament starting June 15th as well as an Invitational Tournament in July. The only way to make this happen is with your help. Each family will be required to help with field prep, scorekeeping and announcing time for a total of approximately 12 hours per family. If you are unable to commit due to other obligations you will not be eligible for the team.

To be eligible for the All-Star team players need to play in 60% of their LAFA games during the regular season.

If your child is selected to the 2019 10 year-old All Star Team:
