Tryouts and Triboro Day

To date the board is still working to align on a plan for tryouts and Triboro Day. We are working to book ice at both Navin and Northstar, which will inform our decision as to when to host both events. Additionally, we are going to work to integrate any rink rules or regulations so we ask that you please be patient as we finalize plans.

Fundraising

Our goal is to keep the cost to families as low as possible and why it's critical that we successfully raise additional funds throughout the season. The current fee structure is set so the organization can "break even" from year to year. We have some new ideas for fundraising this year and will be rolling them out very soon. We also welcome any ideas you may have to help raise funds for the program.

Dear Triboro Nation,

On behalf of the Board of Directors we hope everyone is doing well and adapting to the "new norm".

Last week we had our latest board meeting and would like to provide an update on the following with this months newsletter;

- 1.2020 - 2021 Board
- 2.COVID-19
- 3.Tryouts and Triboro Day

Club Fee Auto Pay

We have had a lot of inquiries on the new auto pay system put into place this year for regular tuition payments.

The purpose for the new system is to have a regular payment schedule so we can pay for ice and league fees on-time. In the past we have had to chase many members for payments all the way into the following spring which is not only time consuming, but unfair to members who pay on-time. Having said that, if a family has an extenuating circumstance in which payment needs to be spread out, please email treasurer@triboro.org and explain the situation.

As a reminder, if the season is canceled, we will refund all monies paid with the exception of your registration fee which is used to cover initial hard costs to the organization. Also, please keep in mind while it is never our intention, the tuition rate we give at the time of registration is what we project it to be, but is not final and subject to increase if needed.

Covid-19 Update

As you can imagine, the situation around Covid-19 is very fluid at the moment. Rinks are just beginning to open, and rules/regulations vary on a rink by rink basis. We have been in contact with both Northstar and Navin, as well as the Valley League, and will continue to have conversations as we approach the season. As we have more definitive plans, we will share them with you. Please note that the safety of all Triboro players and their families is of the utmost importance, and all guidelines will be put in place to ensure a safe environment for all.
