

## **Southern Connecticut Youth Hockey COVID-19 Guidelines**

1. As per Connecticut State Education guidelines, when a player receives a positive COVID-19 test result the player must quarantine for 14 days. It is recommended that on the 10<sup>th</sup> day of quarantine, the player re-test. The player will be allowed to return to play after 14 days have elapsed corresponding to the date set forth by the school.
2. Any player contact traced through his or her school must quarantine the same number of days and can return to play on the date set forth by the school.
