

# PARENT & SPECTATOR CODE OF CONDUCT

1. I hereby pledge to provide positive support, care, and encouragement for my child participating in this league by following this Parents' Code of Conduct, league rules, City of Amarillo & Canyon ordinances and facility rules. I will make sure all participants that attend games to watch my child are aware of these rules and code of conduct and will be responsible for their actions. I will do my best to make baseball fun for my child.
2. I will encourage good sportsmanship by demonstrating positive support for all players, coaches, and officials at every practice, game, and team event.
3. I will place the emotional and physical well-being of my child ahead of a personal desire to win. I will remember that the game is for the kids and not the adults.
4. I will follow the leagues guidelines on moving a player to another roster. I will support my child's coaches and team and never engage in conversations with others during the season about moving my child to another team.
5. I will notify the league by email if there are any problems or concerns with my child's team as soon as they arise. I agree to never confront my child's coaches during any practices, games, or team events to discuss play time or other coaching decisions and will wait until the following day to call or email them with concerns.
6. I will not harass any umpire for bad calls etc. I understand that umpires are human and will make mistakes. I understand that the league works hard to provide my child with umpires and by yelling at them and constantly showing dissatisfaction they will not stick around. All good umpires were new at some point and struggled. We work directly with the TASO high school chapter giving your child the same umpire they'll have in high school in many cases.
7. I will demand a sports environment for my child that is free of drugs and alcohol. I will not use alcohol while at any practice or game.
8. I will make sure that my child is at all team practices and games if at all possible. If unable to attend, I will notify the coach as soon as possible. I understand that my child will miss out on important developmental skills when not in attendance and could get reduced play time based on attendance. The league does not mandate any specific amount of play time. We do however encourage coaches to use league games for what they're intended, assuring all kids get opportunities in multiple positions which will better prepare them for high school baseball.
9. I will make sure my child treats other players, coaches, fans, and officials with respect at all times. I will go over the Player Code of Conduct with my child and make sure it's followed at all times.
10. If ejected from a game I will leave the complex immediately unless I'm the only person there with my child in which case I will leave the area of the field. If there are any more problems, both parent and child will be ejected. The ejection will be reviewed and additional suspensions could be added based on the severity of the incident and how the person handled the ejection.
11. Use only cheers that support and uplift the teams involved
