

# Poor Weather Protocols

Wisconsin's spring weather can be unpredictable! Keep the following in mind during your lacrosse season:

1. Please remember to be communicating with the teams you are playing and the officials.
2. It is up to the host club to determine if the fields are safe to play.
3. It is up to both the host club and the visiting clubs to communicate about any other concerns regarding the weather, such as, rain/snow/sleet, travel conditions, wind, temperature, etc.
4. It is up to the clubs/teams involved to determine whether to play or not.
5. If you have to cancel that is fine, just communicate in a timely fashion before teams and officials get on the road.
6. League Commissioner Robin Buckley email: [commissioner@mayla.org](mailto:commissioner@mayla.org)
7. League Assigner Randy Kohn email: [downsetlax@gmail.com](mailto:downsetlax@gmail.com)
