

Concession Stand Instructions

Start of the day (Horne Street)

1. Plug in popcorn machine, microwave, and Keurig. Turn them all on. Count the money in the cash box, to be sure you start off with \$35 in small bills.
2. Pull grill out of the concession stand, use brush to clean anything left on grill. Turn the propane tank on. Heat the grill. Cook the hamburgers and hotdogs as needed.
 - if you run out of hotdogs, hamburgers or rolls, Hannaford is right up the street. Take money out of the box and when you get back, put the receipt in the cash box. I will try and always keep it stocked, but if not you can ask someone to go.
3. Fill side of Keurig with water. Make tea, coffee and hot chocolate as needed in this machine.
4. Popcorn machine. Open both sides of the kettle (where the popcorn cooks). Cut the package, both sides of the popcorn Nak Pak, push out both the oil and the kernels, into the to the kettle (cooker). Turn on the kettle heat, the motor and the heater lamp switches on the machine. When the popcorn is done, leave the heater lamp on. Repeat as necessary, if the popcorn runs out.
5. Put the candy and condiments on the window counter.
6. Enjoy the game!

End of the day (Horne Street)

1. Leave \$35 in small bills and all of the change (don't count the change) in the cash box, along with any receipts. Put the money in the white envelope and fill out the required information. Put the envelope in the bottom of the cash box.
2. Clean the grill, brush it down, and turn the propane off. Put the grill back into the concession stand, where you found it.
3. Empty the popcorn machine of any kernels or popcorn, and wipe it down. Be careful, the kettle (cooker) is VERY hot.
4. Stock the coolers, so they are full of soda, water and Gatorade
5. Put all candy in the small cooler.
6. Make a list of anything that's needed.
7. Unplug everything EXCEPT the freezer and coolers.
8. Sweep the floor, wash the counters, and put all garbage in the dumpster.
9. Have a great night, and thank you!
