

Dover Baseball Instructional Division Guidelines

Revised: March 2019

The Dover Baseball Association is affiliated with Babe Ruth League, Inc., which includes the Cal Ripken Baseball League. These organizations have adopted the Official Baseball Rules, published by the Commissioner of Baseball, as their primary playing rules. These rules allow for local league modifications to suite best suit the needs of its players.

The following modifications to the existing national rules have been generated, and Board approved, with the intent of helping every player reach their full potential in a safe and competitive environment.

I. Player Eligibility

Players participating in the Instructional Division must be 5 or 6 years of age by Babe Ruth designated cut- off date of April 30th.

II. Game Day Rules and Expectations

- a. A game is completed after six full innings or 90 minutes of play, whichever comes first.
- b. Games must be a minimum of 60 minutes. Any inning completed before 60 minutes have elapsed necessitates the start of a new inning.
- c. All weekday games are scheduled to begin at 5:30 pm. Players should arrive 30 minutes early to warm-up. Game scores and league standings are not recorded.
- d. To insure equal batting opportunities for each player, coaches will, at the beginning of the season, create a continuous batting order and will use this order for each game of the season. The next games lineup begins with the player who would have been up next in the prior game.
- e. At the start of the season, outs are encouraged but not observed. Players are not asked to leave the base. Midway through the season outs will be played and players will leave the base if they are out.
- f. There is no leading, stealing, or advancing on an overthrow.
- g. Coaches are expected to be in the field when their team is on defense to help keep the kids alert and engaged.

- h. On an outfield hit players can continue to advance bases until ball returns the infield. Coaches should encourage outfielders to throw the ball into the infield.
- i. Coaches will pitch to the batter. Each batter will receive 5 reasonable good pitches. Coaches may want to kneel when pitching to throw at a level trajectory. After 5 pitches, the tee will be used. **Coaches should limit it to just 5 pitches as to keep the flow of the game moving.** Moving along allows more at bats for everyone and helps maintain attention spans in the field.
- j. There are no walks, strike outs or bunting.
- k. Players should field all 9 positions, including the catcher's position. A 4th outfield should be used if a team has 10 players present. If there are 8 or fewer players available, the team may elect to play without a catcher.
- l. Once outs are played, (approximately 1/2 way through the season), then a 1/2 inning will be complete when
- m. 4 runs are scored or 3 outs have been made, whichever comes first.
- n. On innings that don't end in a third out (when outs are played), the last batter of the inning can run around
- o. all the bases and all runners should score (this may seem silly but kids love to be the home run hitter).

III. Player Safety

- i) Only Softie Balls will be used during games and practices.

****FINAL NOTE****

The game of baseball is just that, A GAME! Mistakes will be made. There will be fielding mistakes; there will be coaching mistakes; and there will be umpiring mistakes. But there should not be mistakes in behavior.

It is the objective of the Dover Baseball to teach the game of baseball and to implant firmly in the children of the community the ideals of good sportsmanship, honesty, loyalty, courage, and respect for authority, so that they may be well adjusted, stronger, and happier children and will grow to be good, decent, healthy, and trustworthy citizens.

This objective can only be reached with the help of all; players, coaches and spectators alike!

Dover Baseball has developed a Code of Conduct Policy that is intended to serve as a means of helping us meet this objective.

The policy can be found on the association website, dovernhbaseball.org
