

PLAYING HOCKEY IN EVANSTON

Evanston Hockey offers all age and competitive levels of youth hockey for boys and girls, including high school, travel and house programs. For players with little to no skating experience who eventually want to play on a team, we partner with the City of Evanston, which provides a wide range of learn to skate classes.

NEW TO SKATING

Learn to Skate Classes

For future hockey players with little or no skating experience, they can sign up for a variety of learn to skate classes for all ages that are offered by the City of Evanston. Class information can be found in the Evanston Life Magazine on cityofevanston.org.

NEW TO HOCKEY

Little Kits and Big Kits Program

Introductory hockey experience that will introduce your player to individual skills with the excitement of being on a team while having fun. Taught by experienced coaches, and designed for players ages 3-5 (Little Kits) and 5-7 (Big Kits) with skating experience. Questions about Little Kits or Big Kits? Email jrwildkitsshockey@gmail.com.

READY FOR TRAVEL OR HOUSE HOCKEY

Evanston Hockey Travel Program

More ice time, professional coaching and a higher level of competition. Travel teams play games throughout the Chicago area against other travel programs and attend tournaments in nearby states. Serves 8U* -14U players.

Evanston Hockey House Program

Emphasizes skill development and fun for players who typically want to play on weekends. 8U has in-house games and practices while 10U and older compete against other North Shore programs. Serves 8U-14U players.

* The Junior Wildkits administers the 8U travel program in Evanston. Email jrwildkitsshockey@gmail.com with questions.

PLAYING HIGH SCHOOL HOCKEY

Use skills and team concepts developed through the travel and house program to play high school hockey at a fast and physical pace. Boys compete in the Illinois High School Hockey League North-Central Division and girls play in the Metro Girls Hockey League.

Evanston Hockey Mission

Provide boys and girls in Evanston and neighboring communities the opportunity to play hockey in a diverse program that is rooted in skills development, sportsmanship, outstanding coaching, leadership skills, strong character development and camaraderie.
