

Mason High School Lacrosse Board Meeting

Thursday May 1, 2014

Opening Message from Jeff:

A Big thank you goes out to Lisa and Greg Dennehy for organizing and running the After Prom Dodge ball Tournament and all the parents that gave up sleep to work it. Your time is greatly appreciated.

Special Thanks to Tommie and Joe Vonderhaar for all their time and effort in the concession stand. Jeff implemented a tally sheet to track money in the concession stand, something that has not been done in the past.

Budget:

Currently we have \$4,000.00 left in our bank account, which should leave us in good shape as we close out the season.

The board has proposed a budget, which was presented at tonight's meeting. Booster members will have a month to look over the budget and present comments or questions at June's meeting. Contact Jeff if you would like a copy.

Fundraising:

Discussed current and future ideas for raising money for team. Touched on those that currently exist such as Coke Rebate, MABA earnings, 7 V 7 Tournament (\$4,000)

We hope to continue to sell the Discount Cards.

Looking into doing a Middle School/Youth Tournament in Oct/Nov. Jeff and Randy Sagraves (Youth Club President) are discussing dates for this. Email lists are being populated with Randy.

Pam Puckett suggested we do a college level Tournament for D2/D3 schools. Jeff will reach out to Coach V at Dayton (Former Mason Coach)

We are trying to maximize earnings while keeping time commitments to a minimum for booster members.

Senior Night:

Plans for this wonderful event are well underway. Including the senior dinner the night before the Sycamore game as well as festivities for the evening of the Sycamore home game!! We are hoping all our parents and players will join in to celebrate our seniors! More info to come!!

End of Year Banquet:

Still trying to figure out a date that works with exams, playoffs, and graduation. More info to come!!

New Business:

Election to replace outgoing Treasurer, Dan Santos. Our only candidates are Kim Laws and Lori Parsons who will work as a team. By show of hands Kim and Lori were unanimously voted in!! Thank you ladies. Thank you Dan, for all you have done over the years!

Proposal made to have a "Meet the Team" night next year to start the season off. Great Idea!!

Next Board Meeting: Thursday May 1, 2014
