- b. Budget - Den Adel/Shannon

Statements and budget were presented and discussed.

Discussion was held concerning fees for the upcoming year. It was decided that fees would be reduced slightly due to this being the second year of the club and there being less start-up costs: 3rd/4th grade \$240, 5th-7th grade \$375, and 8th grade \$290 (included in this will be a reversible jersey for practice). There will also be registration options for those needing a uniform (\$50) and/or shooting shirt (\$10).

Discussion was held concerning creating a paid position – League Administrator – focus on registration, website, and event coordinator. Tera will reach out to The Social Starr – Missy Starr to see if she would be interested in this.
