### PARENT VOLUNTEER

CVAA is a program operated 100% by volunteers. As such, your child's participation in the 2019 season is conditioned upon each family providing 12 hours of volunteer time per player, with a max of 20 hours per family. A family may opt to "buy out" their volunteer hours at the beginning of the season for \$250 per player with a \$500 family max (non-refundable), not pro-rated. If chosen, no volunteer hours will be required from that family. Volunteer participants must be at least 18 years of age. **ALL HOURS MUST BE COMPLETED BY LAST REGULAR SEASON GAME!**

DEPOSIT due by final registration (check or credit card deposit only). Will only be charged if non-completion of 12 hrs. per player or max 20 hrs per family. Approved documentation required, not pro-rated. **\*\* BUY-OUT option, \$250 non-refundable per player with a \$500 family max., due by final registration.**

### FUNDRAISING

Fundraising is an essential ingredient in the recipe for a successful youth athletic organization. Participation fees only cover less than half of the overall costs of operation. The rest of the money comes from our fundraisers, as well as sales from the snack shack, gate fees, and sponsorships. We hold at least one fundraising drive each season and participation is mandatory. Most participants don't have any trouble selling their minimum amount and more. If you cannot sell at least the 15 item minimum (25 for families with 2 or more participants) requirement or would rather opt out, you may "buy-out" your obligation for \$90 or \$150 (2 or more participants). There are no partial buy outs. The "buy-out" is a per participant fee; however, we encourage you to try to sell these items as they are superior, wholesome products and will be easy to sell to friends, neighbors, and family. Fundraising items will be announced shortly. A \$90 or \$90/\$60 fundraising deposit will be collected via check or credit card slip on Jr. Eagle Day to ensure participation. If your fundraising obligation has been met, you will not be charged. If your fundraising obligation has not been met, your check will be deposited or credit card charged.

DEPOSIT due by final registration (check or credit card deposit only). Will only be charged if obligation is not met. **\*\*BUY-OUT option, \$90 or \$150 non-refundable, due by final registration.**
