The Eastern Loudoun Basketball League (ELBL) is an organization comprised of Board members, coaches, parents and players all focused on advancing the enjoyment of the game of basketball and the skills of our youth. The League exists to enable the youth of our community to learn, grow, and develop skills via basketball competition by playing on their neighborhood teams. Our purpose is to firmly implant in the youth of our community the ideals of good sportsmanship, honesty, confidence, loyalty, and courage. Our goal is that they be well adjusted, strong, and happy, while growing to be positive, fit, and trustworthy citizens.

We have an exciting year planned and we are asking for donations to help offset our general expenses. To keep ELBL progressing each season requires a significant budget that cannot be met by player dues alone, and although much of this budget is derived from member dues, we try to keep the dues down in order to allow more players to participate.

We depend on businesses as well as individuals in the community to support our organization in order for us to continue to provide this much needed developmental sport for our youth, in order to represent our community and local middle school.

Every year our season consists of member registration fees, insurance, web fees, legal fees, accounting fees, county fees, spirit wear, team uniforms, scholarships, and basketball equipment. Our goal is to acquire sufficient funds from sponsors to strengthen the foundation of our organization and to ensure the future success of the program. Given that we are a non-profit organization, your donation is tax deductible and serves as an excellent way to give back to your community. We graciously accept any assistance you can offer, and we thank you in advance for your support for our players and ELBL.
