PSA Post Season Contract

Date \_\_\_\_\_

By signing this agreement, you and your child will commit to his/her age group for Post Season Tournament Team *if* he/she is selected for the team. I understand that there will be practices, tryouts, and cuts in June/July Current Year and tournaments that you must commit to. There may in some cases players that are hurt or absent from tryouts, these players may still be selected based off the players past performance. Tryouts are not only based on these few days of tryouts they are also based on the players past performance. Team rosters will be posted on the website by May 17th. Players may be cut during Post Season Play if the Coach believes the player has had participation, behavior, or sportsmanship issues.

Also understand, if selected, that the postseason tournament team will play and bat as Head Coach sees fit. Your player may be given the opportunity to be a starting player, but also understand that he/she may not play much or has the potential to not play at all during Post Season Games.

The coaching staff selected for post season teams are volunteers and may or may not have coached in your age group during regular season recreational program. The coaching staffs are selected based on knowledge of the game, player utilization, and are chosen by the Program and the Head Coach in an effort to give the team the best opportunity to win at Tournament level play. The head coach of each team will make the final decision on team selection.

There will be cost that parents will have to pay for. Uniforms, entry fees, gate fees, transportation, lodging and meals. Also understand that if a tournament date starts on a Friday there is a potential that you will start those games at 9AM Friday morning. Coaches should know dates and times a week before games.
