### NORTH READING GIRLS SOFTBALL REQUIRES THE FOLLOWING RULE ADDITIONS TO THE MVGSL RULES:

1. A call up list for each division will be provided to all head coaches each season. This list will be comprised of players from one division below (whenever possible, preference should be given to players in their last year of eligibility in the division below). Coaches may reach out to one or multiple players on the list in order to field a team for a game. Players must show priority to their own games first before volunteering to play up. Coaches should try to offer this opportunity to different players when possible.
2. Infield Playing Time - Each player on the team's roster (excluding call ups/borrowed players) must play at least two (2) innings in the infield in games when your team is in the field for at least five (5) innings, at least one (1) inning in the infield in games when your team is in the field for less than five (5) innings. If a player only plays one (1) inning of infield in a game, that player must play two (2) innings of infield in the next game regardless of length. Upon receipt of a written complaint, the Board will review any issues. Failure to abide by this rule may result in discipline up to and including a forfeit.
