Field and Batting Cages Schedules- Starting April 3rd

Each Team is entitled to 1 Field Practice and 1 Cage Session During the week (M-F), excluding softball field (one additional field and cage practice permitted per team during the week).

Batting cages are for Minors, Majors and Juniors only. Sunday field and cage practices AND all softball field scheduling is available now and does not need to wait for April 3rd.

The following schedules are based on field times and not necessarily division times. For example, Farm Division practices and games are on multiple fields. Please review field times closely to identify each division weekly time slot.

Batting cages are closed on Saturday's (except Softball field) to reduce crowd gatherings between teams and spectators.

Weekday practices and games, except Tball, will be adjusted by the league by 30 minutes later (start and end) starting on April 25th. For example, Monday practices on the Coast Field will start at 4pm, and Monday Coast Game will start at 6pm. Be aware of this change but do not schedule your practices based on this change. The league will make this adjustment across all fields.

Spectators allowed only during games and are to remain in the outfield. Bathrooms for spectators will be available in the parking lot near Juniors Field and Batting Cages. Masks are mandatory for everyone at Girsh Park during DPLL events, until further notice.
