NCMYH NEWS

The Travel Hockey Summer Skate is in its third week. This year NCMYH was able to hire Solid State Hockey to run skating clinics for all travel levels for 4 weeks. Beginning in October, our travel goalies will have the opportunity to attend a Stop It Goal Tending Clinic at the New England Sports Center. Opportunities such as these come from fundraising efforts done throughout the season.

Due to the temporary closer of Cushing Academy Travel Hockey practices will begin the week of August 27th in Keene, NH. Please be on the look out for your child's practice schedule days, times, and location. NCMYH will begin practicing at the Gardner Veteran's Arena after Labor Day.
