

NORTHWESTERN YOUTH ATHLETIC ASSOCIATION

RETURN TO SPORTS COVID-19 HEALTH & SAFETY PLAN

The following plan is a result of collaboration among sports medicine professionals of the Lehigh Valley Health Network in conjunction with guidelines set forth by the Center for Disease Control (CDC) and the Pennsylvania Governor's Office.

GOAL: Provide the Northwestern Youth Athletic Association (NYAA) with a plan for the resocialization of sport regarding off-season training, in-season practice, and competition beginning no earlier than Monday, June 22, 2020, keeping in mind the health and safety of our athletes, coaches, employees, parents/caregivers, and spectators.

DISCLAIMER: Engaging in sports activities with and against other individuals, in any capacity during this time, holds an inherent risk of a person becoming infected and potentially infecting other individuals, such as their household members. Please consider this risk when allowing your child to participate in organized sports. Although the NYAA will implement procedures to reduce the risk and prevent the spread, the risk still exists.

GUIDING PRINCIPLES:

- The information regarding SARS-CoV-2, the virus causing the COVID-19 illness, is changing rapidly nationally and in our community. These recommendations will be reviewed and updated based on new scientific information and local information including COVID-19 testing capacity and state and local health department recommendations.
- Key strategies currently used should continue: frequent and effective hand hygiene, social distancing as possible, disinfecting high-touch areas, and avoiding touching the face.
- This plan is subject to change based on Federal, State, or Local governing agency guidance.
- Melissa Bache, 1st Vice President of the NYAA, will serve as the Primary Point of Contact for all athletic activity questions regarding COVID-19.
- Melissa can be contacted at COVID@nyaatigers.org or 215.534.0730 (text preferred).
 - Vanessa Fenstermacher, 2nd Vice President of the NYAA, will serve as the NYAA's Secondary Point of Contact for all athletic activity questions regarding COVID19.
 - Vanessa can be contacted at vfenstermacher@gmail.com or 484-707-2002 (text preferred).

GENERAL REQUIREMENTS IN ALL PHASES:

- Athletes, coaches, officials, referees, umpires, and event staff **MUST** maintain appropriate social distancing at all times possible including in the field of play, locker rooms, sidelines, dugouts, benches, and workout areas. Congregating during down times is discouraged.
- Athletes, coaches, officials, referees, umpires, and event staff **MUST** undergo a healthcare screening prior to starting any activity (off season training/workout, practice, scrimmage, or game).
 - The "NYAA Team & Event Personnel Screening Form" **MUST** be completed and signed by the individual attending the sports activity prior to arrival. This form will be available via Google Docs (https://docs.google.com/document/d/1-FCEoRezlgO4leGG01Tcq8pGi_vOrv2X7Cu-

[Z6y8t1s/edit?ts=5f0e4569](https://docs.google.com/document/d/1Gccfyt24hhro7VfMQcdEnsJSL7PJxxZRgxuAwOZCSxc/edit?ts=5f0e4569)) and MUST be submitted and verified by the coach upon arrival using the "Team and Event Personnel Covid-19 Screening Form Signature Sheet" (<https://docs.google.com/document/d/1Gccfyt24hhro7VfMQcdEnsJSL7PJxxZRgxuAwOZCSxc/edit?ts=5f0e4377>).

- ALL participants (coaches, athletes, etc.) must complete and submit the screening form.
- This process will be in effect until further notice.
- All coaches MUST review the CDC's "Consideration for Youth Sports" and Governor Wolf's "Guidance for All Sports to Operate During the COVID-19 Disaster Emergency to Ensure the Safety and Health of Employees, Athletics, and the Public". Coaches MUST submit the "Confirmation of Review" Form to beginning any training / workout / practice. This form will be available via Google Docs (https://docs.google.com/document/d/1-FCEoRezlgO4leGGO1Tcq8pGi_vOrv2X7Cu-Z6y8t1s/edit?ts=5f0e4569).
- Coaches will provide each participant with access to all required documents and host a virtual meeting to review the documents with their team prior to the first scheduled in-person training / workout / practice.
- All athletes and their parents/caregivers will be provided a copy of the CDC's "Consideration for Youth Sports" for review.
- When feasible, activities should be spaced out to limit the number of individuals arriving and departing at the same time.
- Hand hygiene is essential. Frequent and effective hand hygiene will be promoted and required. Ample hand sanitizer (60% ethanol or 70% isopropanol) must be made available in the absence of the availability of soap / water.
- Athletes are encouraged to carry ample hand sanitizer in their bags.
- The use of indoor facilities is discouraged whenever possible.
- If indoor space is used, coaches will limit the number of athletes in the facility at any given time as per CDC and Governor's guidance during the respective Yellow and Green phase.
- Proper Social Distancing should be practiced when feasible when using indoor space.
- Unnecessary individuals should NOT be present (i.e. managers, non-participating athletes, etc.)
- Parents/Caregivers should remain in their vehicles.
- Congregating in parking lots, on fields, or in facilities is NOT permitted.
- Whenever feasible, a drop-off line for athletes is encouraged to limit exposure.
- Whenever feasible, scrimmages and games should be contested within the district.
- Sharing water bottles and using fixed water fountains are prohibited.
- Hydration stations will be set up at each facility scheduled for use and may include:
 - Water coolers with food grade foot pumps installed.
 - Disposable one-time use cups.
 - Garbage can.
 - Portable pump sprayer with EPA certified disinfectant to spray on touch points as necessary.
 - Hand Sanitizer.

- Hydration Stations will be disinfected at the conclusion of each event.
- Activities that increase the risk of exposure to saliva is prohibited including spitting, licking fingers, chewing gum, eating sunflower seeds, etc.
- "Ice Towels" should be used once and then laundered.
- Team huddles should be limited and only utilized when absolutely necessary and during contests only.
- No handshakes, fist bumps, hand slaps, etc. Avoid all non-essential contact.
- Coaches, officials, referees, and umpires are encouraged to wear masks or face coverings unless doing so jeopardizes their health.
- All equipment used during activities should be disinfected with Environmental Protection Agency (EPA) certified products at the conclusion of each session and between repetitions whenever feasible.
 - This includes, but is not limited to, weight room equipment, balls, or any other shared items.
- All clothing worn during sport activities MUST be washed daily and should never be shared with other individuals.

YELLOW PHASE REQUIREMENTS:

- ALL aforementioned "General Requirements for All Phases" still apply.
- ALL normal Out of Season and In Season Rules and Regulations still apply.
- Outdoor sessions, whenever feasible, is strongly encouraged.
 - Please note that the Recreation Complex has basketball courts and sand volleyball courts.
- Sessions should focus on strength, conditioning, agility, and technique/strategy repetitions against "air". Athletes are NOT permitted to compete against each other, and contact drills are prohibited in the YELLOW phase.
- All participants, including coaches must be socially distanced at 6 feet apart.
- A cloth mask must be worn for all workouts by all participants, including coaches, unless they fall under the exception listed in Section 3 of the Order of the Secretary of the Pa Dept of Health Requiring Universal Face Coverings (The Order) when they are not actively engaged in practice or workout.
- Indoor facilities and bathrooms will remain closed during the YELLOW phase unless there is an extenuating circumstance and with prior approval of the NYAA President.
 - Portable restroom facilities will be available throughout campus.
 - Athletes and coaches should report to the facility in proper gear and immediately return home to shower at the end of the session.
- When scheduling facilities, time must be provided to clean the facility after use and prior to the next group coming in.

GREEN PHASE REQUIREMENTS:

- ALL aforementioned "General Requirements for All Phases" still apply.
- ALL normal Out of Season and In Season Rules and Regulations still apply.

- Off-season training sessions can continue on campus, limited to the lesser of no more than two hundred fifty (250) individuals or 50% of the facility's maximum capacity, including coaches per field / court.
- Limited Contact Drills when necessary are permitted.
- Athletes are permitted to compete against each other as necessary.
- Teams are permitted to scrimmage.
- Competitions are permitted.
- Social Distancing is still encouraged whenever feasible.
- A cloth mask must be worn by all participants, including coaches, unless they fall under the exception listed in Section 3 of the Order.
- Indoor facilities and bathrooms will open and social distancing is still encouraged whenever possible.
- When scheduling facilities, time must be provided to clean the facility after use and prior to the next group coming in.
- For any outdoor event, if social distancing of 6 ft cannot be maintained, masks are required.

SCREENING:

The "NYAA Team & Event Personnel Screening Form" will include the following questions:

- Today or in the past 24 hours have you had any of the following symptoms:
 - Fever?
 - Temperature greater than 100.4 under the age of 18.
 - Temperature greater than 100 over the age of 18.
 - Athletes and coaches will need to take their temperature, at home, prior to coming to campus.
 - New or worsening cough?
 - Shortness of breath or trouble breathing?
 - Sore throat that is different from your seasonal allergies?
 - New loss of smell or taste or both?
 - Diarrhea or vomiting?
 - Do you have a household member or close contact who has been diagnosed with COVID-19 in the past 2 weeks?
- If an individual has positive findings on the screening form, they should stay home or be sent home immediately. If the athlete's parents are not present, escort the athlete to a designated isolation room or an area away from others. The need to immediately put a mask on.
 - Parents should be notified that they should schedule a virtual COVID-19 screening visit at www.LVHN.org/videoscreening.
 - If an individual's screening by their physician suggests concern for COVID, the athlete is not eligible to return until they present documentation signifying the SARS-CoV-2 test was negative or they present documentation from their healthcare provider stating they are cleared to participate.
- If an individual receives a positive COVID-19 diagnosis:
 - Notify the Coach immediately.
 - The Coach will notify the Sport's Director immediately.

- Sport's Director will notify the President and the 1st and 2nd Vice President of the NYAA immediately.
- President will notify the public health authority immediately.
- Immediate notification will ensure the timely and efficient contact tracing necessary to stop the spread of the disease.
- If an individual not wearing a mask is confirmed to have COVID-19, the following MUST occur:
 - All persons who have been in the presence of the diagnosed individual up to 48 hours before they started showing symptoms will be excluded from participation for fourteen (14) days.
 - Exception to this fourteen (14) day exclusion could be made if all participants can be confirmed as practicing social distancing throughout the entire time exposed AND if the diagnosed individual was properly wearing a suitable mask.
 - Returning to Sport Post COVID-19 Diagnosis with No or Only Mild Symptoms (not hospitalized).
 - The rationale behind the following guidelines is based on the myocardial injury, cardiac dysfunction, and arrhythmias that have been in association with COVID19.
 - Individuals must meet all the following criteria to return to sport:
 - At least 14 days have passed since symptoms first appeared. During this time the athlete/coach should not participate in any exercise while monitoring clinical worsening of symptoms.
 - Symptoms have resolved, no fever (>100.4) for 72 hours without fever reducing medications, improvement in respiratory symptoms (cough, shortness of breath).
 - The patient should be evaluated and provide a note for sport participation from a medical provider.
 - Individuals without a medical provider can contact their local public health agency.
 - Given the potential for COVID-19 to affect the heart, providers should utilize current sport pre-participation screening evaluations with a low threshold to obtain additional work-up (i.e. high sensitivity troponin, ECG, Echo) or referral to cardiology if concerned.
 - Medical providers should take into consider the intensity level of sport participation and exercise to help guide their decision to pursue additional evaluation.
 - After returning, the athlete/coach should increase participation and exercise in a gradual and individualized process while monitoring for exercise fatigue or worsening symptoms. This individualized process should be generated as a joint decision between the medical provider, coach and athletic trainer.
 - If symptoms worsen or new symptoms occur during gradual return of play such as, but not limited to, chest pain, chest tightness, palpitations, lightheadedness, pre-syncope or syncope the athlete/coach should be evaluated by a medical provider.

NORTHWESTERN YOUTH ATHLETIC ASSOCIATION TEAM & EVENT PERSONNEL COVID-19 SCREENING FORM

Today or in the past 24 hours have you had any of the following symptoms:

SYMPTON	YES	NO
Fever? <ul style="list-style-type: none"> • Temperature greater than 100.4 under age of 18 • Temperature greater than 100.0 over age of 18 		
New or Worsening Cough?		
Shortness of Breath or Trouble Breathing?		
Sore Throat (that is different from your seasonal allergies)?		
New Loss of Smell or Taste or Both?		
Diarrhea or Vomiting?		
Do you have a household member or close contact who has been diagnosed with COVID-19 in the past 2 weeks?		

If you answered yes to any of the above:

- Inform your Coach IMMEDIATELY.
- Stay Home / Go Home IMMEDIATELY.
- Athletes, have your parent / caregiver go to www.LVHN.org/videoscreening to receive an evaluation.
- Coaches & Staff, go to www.LVHN.org/videoscreening to receive an evaluation.
- You will NOT be allowed to return until you have been screened and results are shared with the Athletic Trainer for approval to return.

Participant's signature below designates that this self-screening was conducted prior to reporting to campus and the information provided is true and factual to the best of participant's knowledge.
