## Web Manager – Dave Harris

- Registration issues – we currently have a few registrants that only have names and no information, forms have not been received by Dave Harris. Matt & Ray will get Dave the last min registrations forms so that they can be updated in our system.
- Background check account – Our First Advantage account is no longer valid since we are no longer under the little league umbrella.
  - Dave has not been successful in reaching anyone to convert our account over to Babe Ruth. He will continue to call to try to get this corrected ASAP.
- Not all coaches (including assistants) have filled out the “I want to coach” form on our web site, if this form is not filled out these coaches will not be allowed on the field with the kids. Background checks can take up to 5 days to complete. Managers need to get this information out to their coaches ASAP (Rich Gennaro to text Matt Novak to send this message to Managers).
