I submit this application, along with the required CORI forms, as a condition to consideration as a volunteer in the SGSL organization. I understand that, regardless of whatever previous appointments I may have held, SGSL is under no obligation to appoint or reappoint me to a position. I give SGSL permission to conduct a background check on me, including a review of the sex offender, child abuse and criminal history records and registries. If appointed, I agree that my appointment is conditioned upon the completion and evaluation of the background check by SGSL. I further agree to abide by the governing rules and philosophy of SGSL and that, at any time, I would be subject to suspension or removal for violation of SGSL governing rules, or for any behavior that the SGSL Board of Directors, in its sole discretion, deems inappropriate. I hereby release and agree to hold harmless from liability the SGSL organization, including its directors, officers and/or volunteers, and any other person or organization that provides information on my background or behavior.
