Head Coach/Assistant Coach Selection Policy: In addition to teaching Lacrosse and administering a team, managers and coaches are charged with developing self-discipline and good sportsmanship, and serving as role models for players and parents, as embodied within the US Lacrosse Organization rule books. Evidence of these attributes is collected from a variety of sources and decisions are made based upon these standards, as well as current and prior participation in league activities, administrative requirements, proper care and return of equipment, as well as candidate interviews, Board of Director evaluations, referee experiences and evaluations and comments received from parents. The Bellingham Area Youth Lacrosse Organization Board of Directors evaluates candidates based upon these standards, and follows safety guidelines in the review of applicants as outlined by US Lacrosse Standards. The BAYLO requires coaches be selected each year, with no tenure suggested or promised, therefore managing a team one year is not a guarantee of being selected to manage that team in any other year.

I, _____, hereby apply to coach in the BAYLO. I agree to abide by the standards of US Lacrosse, and observe all of BAYLO's rules, regulations, policies and procedures. I understand that these rules, regulations, policies and procedures may be modified during the course of the season and that it is MY responsibility to remain informed. I also agree, that if selected, I will attend all mandatory coaches meetings, player tryouts, training sessions, and will complete the required CORI Background Check. Furthermore, I understand that I may be suspended or removed from my coaching position for violations of, but not limited to, the League Rules and/or Codes of Conduct, policies and procedures as outlined above.
