## MULTI-LEAGUE PROHIBITION POLICY

Under no circumstance is a player of Maplewood Independent Youth Baseball League (MIYBL) allowed to participate in any other Recreational Baseball League which coincides with MIYBL's Spring Recreational Season and Playoffs. Failure to abide by the rule set forth in this policy will result in the player forfeiting the privilege to participate in any MIYBL activities for the remainder of the season.

This policy has been put in place by the board of directors of MIYBL for the benefit of all recreational league players participating during the spring season.

This policy is being implemented in order to ensure that all players in the league are committed to playing for MIYBL and to allow for all players to be given an equal opportunity to play all scheduled regular season and playoff games for the current registered year without the issue of players missing practices and/or games to participate in other recreational leagues.

This policy is being implemented to ensure that all managers/coaches in the league will have a full roster for the entire season and will ensure complete participation for all practices and games.

No refund of any kind will be issued for violation of this policy.

This Multi-League Participation Policy is strictly enforceable at the sole discretion of MIYBL or its duly authorized representatives.
