US Lacrosse Learn to Play Clinics are specially designed for coaches with limited experience in the sport, or for anyone (age 18 and over) looking for exposure to the basic techniques of the men's and/or women's games.

This 2-3-hour, combined-gender clinic offers a hands-on experience for learning the skills needed to play lacrosse, and also provides an introduction to the fundamental coaching techniques more fully explored in the Level 1 Instructional Clinics. Learn to Play clinics do not count toward national coaching certification but are a great way to better understand the techniques of the game before pursuing CEP certification.

WHEN: Saturday March 26, 2016 9am to Noon (Lunch provided after clinic)

WHERE: Town Hall Field 100 Ann Edwards Lane Mt. Pleasant, SC 29464

COST: \$30 Refundable upon completion of Clinic

WHAT TO BRING: No protective equipment is necessary, though a stick is encouraged. You will receive a comprehensive beginner coaches guide.

Space is limited to the 40 registrants. To reserve your slot please complete the above, include check payable to : US Lacrosse and mail to:
