

## Nashoba Youth Hockey Parent Addendum

We are excited to be able to return to the ice so that players, coaches, officials, parents and administrators can enjoy the game we all love. In an effort to ensure the health and safety of the entire NYHA family, an additional Parent Addendum is being implemented this year. Please review all safety guidelines put forth by the following:

[USA Hockey](#)

[Mass Youth Hockey](#)

[Massachusetts Department of Health](#)

[Skate 3](#)

[Nashoba Valley Olympia.](#)

Following your review, please complete the below.

I have read and acknowledge the safety guidelines set forth by USA Hockey, Mass Youth Hockey and those of the individual rinks within the commonwealth at which Nashoba Youth Hockey will be participating in practices and/or games. Please note: In addition to the rinks noted above, it will be important to review specific rink guidelines for games scheduled at other facilities.

Expectations include, but are not limited to the following;

- Keeping players home if they are sick or have been exposed to an infected individual. (Note: Players exhibiting any signs of illness will not be allowed in the facility/on the ice.)
- Face coverings at all times while in the building.
- Follow all physical and social distancing guidelines inside the facility and while in the parking lots.
- Strict adherence to spectator limits (anticipate one spectator per player).
- Players will enter the building fully dressed and ready to practice/play.

I understand that failing to abide by any and all safety rules set forth could result in negative action being taken against myself and/or the organization.
