

How to Sync Program League Athletics site to MLA League Athletics Site

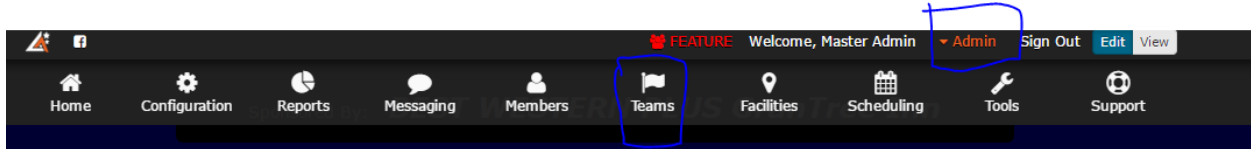

IMPORTANT: If your program's site is not already synced with the MLA parent site you first must do that.

Steps to do that.

1. Admin
2. Configuration
3. General Settings
 - a. Scroll to bottom of Organization tab
4. Select Parent Organization as MLA

Then to sync each of your teams (which will sync roster information)...

1. Log onto program website as administrator
 - a. Select admin
 - b. Select Teams
 - c. Select Divisions and Teams

2. Select the team you want to sync
