

## 2019 SNLL District Team Commitment Form

Dear Parent:

Stamford North Little League is getting ready to vote for the 2019 District Teams, and we need your help. The league has already determined that your child meets the first eligibility requirement. As the parent or guardian, you are the only one that can determine if your child will be able to meet the second eligibility requirement of commitment to the District Team. It is an honor to be on any of these teams, but it comes with a great deal of responsibility and a commitment of time on the part of you and your child. All members of these teams are required to get to and from, and participate in, ALL practices and games. Typically, practices are just about every day after the SNLL regular season is completed. The District Team season is from approximately June 1, 2019 to approximately August 1, 2019 (or as far as the team advances). If you have determined that you and your child can indeed make this commitment, it is imperative that you return this form (signed and dated) by the deadline date. Only the names of the players that have met all of the eligibility requirements and have returned this form by the deadline date will be placed on the voting ballot for the District Teams.

Please note that the league charges an additional fee of \$50 to play on the District Teams. Financial assistance is available should you need it and your child is selected to a team; please speak to the league President.
