

SCORER'S RESPONSIBILITIES

Record the starting line-ups of both teams 10 minutes prior to the game and make sure the numbers of the players on the field correspond to the numbers in the book. Changes to the line-up cannot be changed until the game starts. A roster with names and numbers of all players must be at the scorer's table prior to the start of the game.

Keep an accurate score of the goals scored in the official home team score book.

Display, continuously, an accurate score, for players, coaches, and officials.

Notify the official on the first ensuing stoppage of play if there has been an illegal substitution.

Record any cards next to the player's name in the score book: delay of game (green/yellow-"gy"); warning (yellow-"y"); ejection (red-"r"). A green card "g" for delay of game or any other card issued to a coach or other team player personnel must also be recorded in the score book.

Notify the official when a second warning is issued to the same player.

Record the delay of game suspensions including the time on the game clock when a player is suspended.

Record the time on the game clock when a player or coach is given a yellow or red card.

Notify the official when a team receives a fourth card.

Notify the official when a 10 goal differential exists.

Record time outs taken by each team.

Maintain an accurate record for alternate possession. A visible possession indicator is required at the table.
