

Registering with hhs-basketball.com

It is important that every parent or guardian and player register with hhs-basketball.com. This registration process will allow the booster club and Panther coaching staff to communicate more effectively with you and your child. Follow the instructions below to get registered.

If a player has more than 2 parents and/or guardians, then those additional parents and/or guardians need to register separately and do not enter the player (participant) information a second time.
