Beyond Intro2Hockey

Players that complete the Intro2Hockey Program have the option of joining our recreation house league (Jr. Stars League). This league is a perfect platform for new players looking to join an organized league.

The commitment level for the house league would be 2 practices a week and 1 game each Sunday. Players are required to have their own equipment, however a team uniform is provided for each player.

For any questions and more information pertaining to the Jr. Stars, please email Scott Buzney - scottbuzney@gmail.com
