

Norwalk Public School Athletics

_____ is attending Norwalk Public School's summer conditioning program. Upon arriving at school each day, the CIAC recommends athletes, coaches and staff pass a COVID-19 self-screening, along with confirming a temperature below 100 degrees Fahrenheit. The CIAC recommends any person with positive symptoms reported should not be allowed to participate, should self-isolate, and contact their primary healthcare provider.

On July _____, 2020, the above named student athlete was referred to a healthcare provider because he/she:

Reported signs or symptoms during his self-screening

Or

Had a temperature above 100 degrees Fahrenheit

Per recommendations of the CIAC the above athlete should not return to the conditioning program until cleared by a healthcare provider (MD, PA, NP).
