

TOURNAMENT RULES (subject to change) as of 01/08/2021

No Pets Permitted - There are no exceptions, other than certified seeing-eye dogs.

Grilling & Alcoholic Beverages are not Permitted

Clean up - Each team should clear the field as quickly as possible at the conclusion of the game and clean-up its team area on the sideline of all trash or debris.

Weather - Due to weather conditions, we reserve the right to shorten games and/or cancel games if conditions warrant for safety, or in order to finish the tournament.

Time Keeping - All games are controlled from a central game clock and not on the field. Penalty time will be kept on the field by the Referees. Penalty time is stop/start and not running time. ALL games WILL start and end on time and each round of games begin and end at the same time. Each game is 2 running clock 20 minute halves, with a 5 minute half-time, and 5 minutes between games. The timekeeper will indicate verbally over the public address system and a central horn will blow when 2 minutes remains for each half and game

Any team not on the field and ready to play within 20 seconds after the horn will be penalized for delay of game and Officials will likewise enforce standard 20 second rules for each faceoff. All games must end on the central horn. It is essential that teams get off the field immediately following the conclusion of their game so the next game can begin. When game is finished, leave the bench area QUICKLY with all of your trash and gear.

Competition Levels - The tournament is designed to create a competitive, safe and fun experience for teams in each division. The tournament is open to travel, select and recreational teams. Do your best to select the most appropriate division for your team. Select and All-Star teams have to register for the A Division. If your team plays competitively in the top level of a travel league (SEPYLA, PAGLA, CCLA, etc.), register for the A Division.

All **Boys and Girls Teams** will play in one of the following grade-based divisions: 3rd/4th; 5th/6th; 7th/8th. These divisions will have the following levels based on information provided during registration:

Division	3 rd -4 th	5 th -6 th	7 th -8 th
Boys	A	A, B & C	A, B & C
Girls		A & B	A & B

Scoring - Game Officials will record the score for each game and will report final scores to both Head Coaches at the same time at the end of the Game. Referees will submit game results slip to CBAA Game/Area administrator. The CBAA Game/Area administrator Winning Team's will report the score to the Administration Tournament Operations Tent. Scores will then be entered into Tourney Machine online. Scores at the Tournament Operations Administration Tent are final.

Winning teams will be awarded 2 points and ties will result in 1 point. Championship Game tie breakers to be determined. s that end in a tie after regulation will be governed by a braveheart sudden victory format (see overtime details below).

Tournament Results - The tournament will follow a hybrid of Pool and Bracket play. The Pools will be set by the Directors for rounds 1-3 (as necessary) based on the number of teams in the Pool, with Champion determined based on the Tie Breaker rules below. Some Divisions will be a combination of Pool play and Bracket play based upon the number of teams entered using the same Tie Breaker guidelines. Full bracket play enables winners to play winners and losers to play losers in a playoff format using the same Tie Breaker rules below. A minimum of 3 games will be played by all teams unless teams do not show up in which case we will attempt to get your team a 3rd game that may or may not be out of the bracket or pool format and may or may not be considered exhibition or pool play.

Tie Breakers within Pools and Divisions - PointsRecord, Head To Head, Goals Allowed, Goal Differential, & Goals Scored, in that order.

Checking

- One handed stick checks shall be penalized as slashes at all levels.
- The US Lacrosse 2018 "no brush" rule shall be enforced per US Lacrosse rules.
- US Lacrosse rules enforced for no contact (interference, etc) more than 3 yards (not 5)
- NO "take-out" checks, checks of a defenseless player or checks resulting from a run of greater than 3 strides are permitted.

In addition to all stick checking, body checking, and contact fouls being enforced per current US Lacrosse Rules, the Irish Skirmish Tournament, while competitive, places a premium on player safety. Coaches are requested to coach their players appropriately for this tournament and not question "safety calls" that are often called differently, and more leniently, in other tournaments and leagues.

Checks Involving the Neck/Head - PENALTY: Two or three minute non-releasable foul, at the official's discretion, for violations. An excessively violent violation of this rule may result in an ejection foul for flagrant misconduct.

Additional Girls' Division Rules

Girls competition shall be governed by US Lacrosse Youth Rules which can be found at <https://www.uslacrosse.org/sites/default/files/public/documents/rules/2018b-Girls-Youth-Rulebook.pdf>

Checking - Modified checking, that is, checking when the entire stick of the ball carrier is below the shoulder is permitted. Any contact to another player's body with a horizontal stick is an automatic penalty. Any check to the head or intentional push from behind with the stick is an automatic yellow card. The Player with the infraction (yellow card) must serve a 2 minute penalty without a substitution except that $\frac{3}{4}$ teams may substitute for the player with a yellow card. Offending team must keep track of the penalty minutes. If the same Player receives two yellow cards she will be ejected from the game and the team plays short a player for the duration of the game.
