

“Mercer Island High School / Mercer Island School District”

Sudden Cardiac Arrest Awareness Form

The “Mercer Island High School / Mercer Island School District” believes participation in athletics improves physical fitness, coordination, self-discipline, and gives students valuable opportunities to learn important social and life skills.

With this in mind it is important that we do as much as possible to create and maintain an enjoyable and safe environment. As a parent/guardian or student you play a vital role in protecting participants and helping them get the best from sport.

Similar to Concussion Management awareness, player and parental education in the area of Sudden Cardiac Arrest is crucial. You are welcome to make a copy of the Awareness Information flyer and refer to it regularly.

This signature page must be signed annually by the parent/guardian and student prior to participation in “Mercer Island High School / Mercer Island School District” Athletics. If you have questions regarding any of the information provided in the flyer, please contact the Mark Zmuda, MIHS Associate Principal / Athletic Director.

I HAVE RECEIVED, READ AND UNDERSTAND THE INFORMATION PRESENTED IN THE SUDDEN CARDIAC ARREST AWARENESS FLYER.
